

ENVIRONMENT POLICY

RZ RESOURCES LIMITED IS COMMITTED TO EFFECTIVE ENVIRONMENTAL MANAGEMENT IN ALL AREAS OF THE COMPANY'S BUSINESS. WE ARE WORKING TO ACHIEVE BEST PRACTICE IN MANAGING THE ENVIRONMENTAL IMPACTS OF OUR EXPLORATION, MINING AND MINERAL PROCESSING OPERATIONS.

WE WILL –

- Ensure all employees and contractors are aware of their environmental obligations and accountable for RZ's environmental performance,
- Operate with due regard for applicable legislation, regulations, guidelines & standards,
- Design, develop and operate our facilities aiming to reducing the impact of our operations,
- Integrate environmental issues into all aspects of planning and operational processes,
- Establish and maintain procedures to minimise environmental disturbance caused by operations,
- Re-establish disturbed areas as sustainable ecosystems and community assets,
- Evaluate regularly RZ's environmental results, objects, targets and risk potential to achieve continuous improvement in our environmental performance,
- Ensure efficient use of all resources and reduce, reuse and recycle our wastes,
- Use resources efficiently, in particular energy, water and land, and
- maintain a product stewardship approach towards the use of our products.
